Roll on! great Pill of Ayer, roll on!
Through miles emboweled roll!
Roll on!
Through those whose livers chafe the soul!
Through those whose feeble stomachs fail!
Through mesenteries waxen pale!
Through all who live in aches and ail!
Ever roll on!
Roll o'er the prairies of the nation,—
For the sick and ill of every station!
Roll down the Andes—towering mountains!
Roll over Africs golden fountains!

The Almanac Publishers complain that their business is destroyed by Ayer's American Almanac. The people prefer it to any other, the Farmer's, Western, Southern or the numerous local almanacs when they can get Ayer's. It supplies the best astronomical data, weather and jokes of them all, and above all, medical advice which is invaluable for every family. It is supplied gratis by the druggists, and should be preserved for constant reference and use. To Young Housekeepers.

Be satisfied to commence on a small scale. It is too common for young housekeepers to begin where their mothers ended. Buy all that is necessary to work skillfully with; adorn your house with all that will render it comfortable. Do not look at richer homes, and covet their costly furniture. If secret dissatisfaction is ready to spring up, go a step further, and visit the homes of the suffering poor: behold dark, cheerless apartments, insufficient clothing, and absence of all the comfort and refinements of social life, and then return to your own with a cheerful spirit. You will then be prepared to meet your husband with a grateful heart, and be ready to appreciate the toil of self-denial which he has endured in the business world to surround you with the delights of home; and you will co-operate cheerfully with him in so arranging your expenses that his mind will not be constantly harrassed lest his family expenditures may encroach upon public payments.

Be independent; a young housekeeper never needed greater moral courage than she does now to resist the arrogance of fashion. Do not let the A's and B's decide what you shall have, neither let them hold the strings of your purse. You know best what you can and ought to afford. It matters but little what people think, provided you are true to yourself, to right and duty, and keep your expenses within your means.

Ayer's
Hair Vigor,
For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.* Thin hair is thickened, fallen hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit, but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

Ayer's Cathartic Pills.

For the relief and cure of all derangements in the stomach, liver, and bowels, arising from a sedentary or dissipated life, and an excellent purgative, being purely vegetable, and containing no mercury or mineral whatever. Much suffering is prevented, and by their timely use, every family should keep them on hand for their protection and relief. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by these *Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Hence every one who makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:

For Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver and Biliary Complaints, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhœa, but one pill is usually sufficient.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins, they should be continued judiciously, as required, to change the diseased action of the system. With such change these complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous, where no serious derangement exists, to use them freely. Literally well, often they are that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
